About Jeremy

Before I discovered yachting, I was a guide/instructor for sea kayaking and backpacking outfitters in places like Rhode Island, Northern California, and Tasmania. I have now accumulated over 15 years of motor vessel cruising experience in a variety of popular areas. Some of my favorite cruising destinations include the Saguenay River in the Quebec Province of Canada, Sea of Cortez, Cuba, The Great Lakes and Maine.

I've made a recent addition to my career by graduating from the South Eastern Massachusetts Police Training Academy in 2020 with my credential as a reserve/intermittent police officer in the state of Massachusetts. All while remaining an active captain on the ocean to this day.
